

BSK0303IMPW

BullShark™ A6 Cut Resistant Impact Winter Gloves

BullShark™ A6 Cut Resistant Impact Winter Gloves are built to deliver superior protection and warmth in cold, high-risk work environments. Featuring a sandy nitrile coating for enhanced grip, these gloves combine ANSI A6 cut resistance with back-of-hand impact protection and thermal insulation to keep hands safe and comfortable in harsh winter conditions.

ANSI/ISEA

PRODUCT FEATURES

- 15-gauge glove with sandy nitrile coating
- 360° A6 cut protection
- Thermal insulation for reliable warmth in cold weather
- Back-of-hand TPR protection against impact and abrasion
- Reinforced thumb saddle enhances durability at critical points
- Durable construction for extended wear life
- Flexible design to maintain dexterity in low temperatures
