

RTZHP9000

BullShark™ HP9000 High Performance Mechanic Gloves

The BullShark™ High Performance Mechanic gloves are made with a synthetic leather material that offers a combination of durability, flexibility, and a tactile grip.

PRODUCT FEATURES

- Made of synthetic leather
- The back of the gloves is made from a durable fabric material, providing breathability and flexibility for optimal hand movement and comfort during work
- Elastic wrist with a rubber logo strap for added wrist protection
- Comfortable to wear for extended periods

The BullShark™ HP9000 Mechanic gloves are well-suited for mechanics and automotive professionals, providing the necessary grip, protection, and convenience for their tasks.
