BullShark™ Nitrile 18 Gauge Cut A6 Impact Gloves

The BullShark™ Nitrile 18-Gauge Cut A6 Impact Gloves offer superior protection, flexibility, and durability in high-risk environments. Designed with an 18-gauge seamless shell, cut level A6 resistance, and impact protection, these gloves provide enhanced grip, comfort, and safety for demanding tasks.

PRODUCT FEATURES

- 18-gauge cut-resistant Tuffalene® UHMWPE shell
- Nitrile palm offers superior grip in wet/oily conditions
- Reinforced thumb crotch adds extra durability.
- Hi-viz TPU impact protection over the fingers and metacarpal bones
- Touch screen compatible fingertips for easy use
- Comfortable knit wrist cuff ensures secure fit
