

BSK0317

BullShark™ 18 Gauge Foam Nitrile Gloves

Bullshark™ 18 Gauge Nitrile Foam Gloves provide superior grip, durability, and protection for demanding work environments. Designed for comfort and flexibility, they offer excellent resistance to abrasions, oils, and chemicals, making them ideal for industrial and general-purpose applications.

PRODUCT FEATURES

- 18-gauge HPPE Steel
- 18G ultra-thin design enhances dexterity and offers breathability
- Ergonomic hand-shaped design
- Touch screen compatible fingertips
- Reinforced thumb saddle and palm
- EN388: 4X42F standard, providing maximum cut F along with excellent abrasion and tear resistance.

Please note: Product images may display a Level 2 puncture rating. Updated standardized testing has confirmed this glove meets ANSI/ISEA 105 Level 4 puncture resistance. All future production will reflect the corrected marking
