FALL PROTECTION

RTZFALLKIT

Fall Protection Compliance Kit

The Ritz Fall Protection Compliance in a Can is a personal protective equipment kit designed to provide fall protection for workers who perform tasks at heights. The contents of this kit includes a full-body harness, 6' shock-absorbing lanyard, and a small storage bucket. Overall, The Ritz Fall Protection Compliance in a Can is a reliable and convenient safety kit that provides essential PPE for workers who need fall protection at height.

PRODUCT FEATURES

- **Lightweight Harness:** Adjustable and made of high-strength materials that meet or exceed safety standards
- **6' Lanyard:** Shock-absorbing with snap hooks on both ends
- **Reusable Bucket:** Durable, easily portable, and protects the safety equipment when not in use
- **Everyday Convenience:** Kit is designed to be portable and easy to transport
- **One-Stop Compliance:** Meets or exceeds applicable safety standards for fall protection equipment
- **Reliable and Durable:** Provides reliable and durable fall protection for workers who need PPE at height

Whether you're working at heights, navigating difficult terrain, or performing a rescue operation, the Open Type Rope Grab with Big Eye is a dependable choice for maintaining safety and security.
