Ritz Safety can fully support custodial operations across campuses:

- Cleaning chemicals & spill control
- Floor sweepers & cleaning equipment
- Safety signage
- Paper towel dispensers
- Soap and soap dispensers
- Private-labeled options (e.g., School / ISD branded soap dispensers, signage, etc)
- Lockout/tagout equipment
- PPE for custodial staff

DIVISIONAL OFFERINGS

4. Nurse's Stations

Essential health and safety supplies for school nurses:

- First aid restock programs
- Emergency medical kits
- Eye wash stations
- AED (pads, batteries, cases, wall mounts)
- Life Vac
- Personal protective equipment (masks, gloves, gowns, eye protection)
- CPR training options (inquire about onsite or partner-led)

DIVISIONAL OFFERINGS

5. Classrooms, Science Labs & Student Areas

Support for high school science departments and general student safety:

- PPE for lab settings: gloves, goggles, face masks, lab coats
- Gas detection equipment (fixed and portable)
- Chemical storage safety lockers (indoor/outdoor)
- Emergency eye wash/shower units
- Anti-vape/smoke sensors for restrooms and common areas

DIVISIONAL OFFERINGS

6. Facilities & Mechanical Systems (Boiler Rooms, Basements, Storage)

Many school buildings include boiler rooms and large mechanical systems that require specialized safety support:

- Fixed gas detection systems: essential for detecting natural gas byproducts such as carbon monoxide, nitrogen oxides, and VOCs
- Portable gas detection: ideal for confined space entries and ongoing personnel monitoring
- Recommended for: lower levels, boiler rooms, mechanical rooms, and storage spaces

PARTNERING WITH RITZ SAFETY

We understand your schools and district are ever changing and the importance of working with local vendors you can trust. Ritz Safety is uniquely positioned to:

- Offer a wide breadth of products across multiple departments
- Provide local and national fulfillment
- Customize procurement to your needs
- Consult and quote competitively across categories
- Help streamline vendor management through consolidation

We're not just here to supply—we're here to partner with you to ensure every student, teacher, and staff member is supported with safety-first solutions.

NEXT STEPS

1. **Facility Walkthroughs** – We'd love to visit campuses and bus barns to identify specific needs.
2. **Needs Assessment** – We can work together to review past orders and prioritize areas for immediate support.
3. **Custom Quotes** – Ritz Safety will provide competitive pricing with flexibility, especially amid market fluctuations.
4. **Ongoing Partnership** – Let's build a sustainable, scalable relationship to support all current and future needs.
